

BE SAFE WITH THE SAFETY RULES!

-THE SAFETY STATION-

- Rule #1:** The first and most important thing to remember is that you must follow the rules at all times. Safety comes first at iGame4.
- Rule #2:** Always listen for the whistle. When you hear the whistle, please stop what you are doing and listen for instructions.
- Rule #3:** Please WALK from station to station. There is absolutely no running allowed.
- Rule #4:** Play only the preset games at each station. Do not change the activity on screen.
- Rule #5:** At each station, always securely fasten the strap on your wrist to prevent possible injury and/or damage to the equipment. Stay behind the cones at all times.
- Rule #6:** When moving from station to station, remove strap from your wrist and place the remotes back where you found them.
- Rule #7:** Be respectful of the equipment. There are plenty of kids that will be using it after you.
- Rule #8:** Always practice good sportsmanship while participating in all iGame4 activities.
- Rule #9:** Only the designated group leader is allowed to reset stations and make selections when needed.
- Rule #10:** Stay germ free. Use hand sanitizer before and after participating in iGame4 activities.

Note: If you do not follow these rules at all times you will not be allowed to participate in the activities.
